MAKE A SPIRITUAL IMPACT.

Our camp gives Hungarian students a chance to see what it means to live in relationship with Jesus Christ. We share testimonies with the students of what God has done in our lives. We discuss topics relevant to youth and how God can make an impact in their lives. The curriculum is specifically designed to get the students thinking about their personal beliefs and to make a clear Gospel presentation. Through building relationships and making friends, students can witness first-hand the love God has for them through you!

WHAT DO YOU DO?

Join the OMS team and other volunteers from New Zealand, the UK, the US, Canada, and Hungary for a two-week English language camp.

Students range in age from 11-18 and have varying levels of English proficiency. Our job is to help them improve their English through fun activities and conversation.

Campers and staff stay in dormitory-style facilities and participate in daily events, such as:

- Conversation groups
- Songs, both silly and worship
- English lessons and study hours
- Listening exercises
- Workshops
- Recreation and games
